Peter Koffler
Chairman
Zoning Board Committee
Village of Sleepy Hollow
28 Beekman Avenue
Sleepy Hollow, New York 10591

Dear Chairman Koffler and Committee Members:

RE: Support Letter

Attached please find a copy of the letter that I read at the public hearing continuance on March 20, 2013 during the Zoning Committee meeting. This letter is in support of Open Door Family Medical Center relocating to 300 North Broadway and was written by Emellie Sciarpelletti and Anna DeAngelis who have a residence at 49 ½ New Broadway in Sleepy Hollow, New York 10591.

If you have any questions, please feel free to contact me or Ms. Lindsay Farrell, President & CEO.

Sincerely,

Anita Wilenkin, MA MPH
Chief Operating Officer

To whom it may concern:

I am writing in support of the establishment of the Open Door designated to locate at the intersection of Route 9 and New Broadway.

Our community is diverse with a population that is concentrated in village homes that are frequently multi-family dwellings. Having a local clinic available to our community would be a very valuable asset. Members of the community in proximity to this location would have access to the clinic by walking there. Their impact on the parking spaces would be minimal.

In these times of high health care costs, let us recognize and provide services for those who are in need. The services provided by the Open Door and the benefits our community would enjoy far outweigh whatever issues may arise from imagined parking limitations.

To those who most make a decision about this location, serve the needs of the people and allow this organization to establish this health care facility. Once it has opened, and begun to operate, additional policies regarding parking can be developed and implemented.

Yours truly,

Emelie Sciarpelletti

Anna De Angelis
