That's wonderful. Please let me know if there is anything I can do to assist. I will keep it confidential since Mr. Rodrigues has not been notified. Again, please do not hesitate to contact me if you any assistance. We do have grants and we are looking to expand the territory they will cover. Once we get to the area of 1 New Broadway, I will let you know - it may not be a large sum of money, but it could cover a sign or awning.

Hi Karen,
Yes, we are about to go to contract with the owner of 1 New Broadway and hope to be successful to purchase that location; it's next to Dominick's Limosine on Rte 9. We don't envision moving for about 2 years as we will have to do significant renovations and a NYS CON is required before we do anything. Larry Rodrigues doesn't know about this yet. I did meet with the mayor over the summer and he said he'd be helpful if we needed help. I just want to be sure that our use is absolutely permitted.

Hi Lindsay,

It's been awhile since we met and spoke about the Strand building and the Open Door's renovations. I was just wondering how is it going. I know you had issues with the landlord, and wondered if those had been resolved.

Look forward to speaking again.
