Dear Chairman Koffler and Members of the Board:

We are writing to request that the continuation of the public hearing on this application be adjourned to the Board's February 20, 2013 meeting. We are working on compiling and assembling the additional information requested by the Board and Building Inspector but may not be able to complete our efforts sufficiently in advance of the January 16, 2013 hearing date to afford your Members adequate time to review it and the other information that we submitted for the December 19, 2012 hearing.

Please let us know if there is any problem with the adjournment. Thank you for your courtesy.

Respectfully submitted,

Hocherman Tortorella & Wekstein, LLP
