MEMORANDUM

To: Zoning Board of Appeals  
From: Edgar Brennen, Captain  
Sleepy Hollow Volunteer Ambulance Corps.

Re: Parking lot at 1 New Broadway

RECEIVED

MAR 27 2013

BUILDING DEPT.  
VILLAGE OF SLEEPY HOLLOW

I was given the dimensions of the parking lot located at 1 New Broadway by the Building Inspector and asked to make a determination whether the ambulance would be able to maneuver in and out of the lot.

I also did a visual inspection of the lot with the Building Inspector.

Based upon the dimensions and my inspection of the lot the ambulance would not be able to pull in and maneuver a turn if the parking spaces in the lot were occupied. The ambulance would have to back out onto Broadway.

The crew would have to get someone to stop traffic to make the pulling out of the lot safe. Sometimes we answer a call with only the driver and the EMT. In that event a third party would have to be found to stop traffic.
