

USE OF RECORDING DEVICES AND SURREPTITIOUS RECORDING

Date Issued 02/01/20	Date Effective 07/01/20	Revision No.	Page 1 of 1
-------------------------	----------------------------	--------------	----------------

PURPOSE

To establish clear guidelines for the use of recording devices and the surreptitious recording of conversations.

POLICY

The surreptitious capturing of the communications of others and the recording of conversations without the consent of the parties involved risks destroying the trust between members necessary to efficiently conduct the business of the Police Department. In order to ensure the efficient functioning of the Department, the following policy is promulgated.
