

# Sleepy Hollow Recreation

## Nature Crafts and Workshop Day

Join us for this educational, fun-filled time. Kids will collaborate and create art projects bringing change and awareness by learning about how the local lakes and ponds need us to help them survive and flourish. This is in conjunction with the Fremont Pond Committee's Health Yard Workshop.

Date: Saturday, March 16th

10am-12 noon at the Galgano Senior Center (55 Elm Street in Sleepy Hollow)

For kids in grades 1-5

Fee: \$5.00 per participant

Activities could include arts and crafts using recyclable materials, watercolor painting of fish and Fremont Pond, Lego projects, bookmark making and a theater workshop where the kids are mayor for the day and can design a Master Plan for helping our environment.

Prizes and refreshments for all participants. Call 366-5109 for more information.
