

FULL-TIME POSITION AVAILABLE IMMEDIATELY

SALARY: \$82,065.95

**APPLY WITHIN TO MATT ARONE, SUPERINTENDENT OF RECREATION & PARKS
NO LATER THAN JANUARY 2, 2024**

MAINTENANCE MECHANIC (GARDENER)

DISTINGUISHING FEATURES OF THE CLASS: Under general supervision of the Park Superintendent or Park Foreman, an incumbent performs specialized manual work throughout the year in the maintenance, care and cultivation of plants, shrubs, flowers, trees and lawns that make up municipal walkways, parks, grounds, gardens and medians. Work is performed with considerable technical independence while adhering to general directions, plans or design of administrative superior. Employee establishes work priorities in accordance with climatic, soil, vegetation or seasonal conditions. Work is reviewed in progress and upon completion for condition of landscaped area and compliance with work orders. Supervision may be exercised over subordinate employees. Does related duties as required.

EXAMPLES OF WORK: (Illustrative only)

Provides care to plant collections, greenspace floriculture crops, garden displays, lawns, outdoor landscapes, and plant life of municipal parks, grounds, greenhouses, gardens and medians;

Ensures all plantings remain healthy and attractive; adds mulch and removes diseased flowers, plants and small trees, replacing soil as necessary;

Makes landscaping improvements by watering, seeding, fertilizing, planting, grafting, propagating, pruning, trimming, thinning, grooming, training, weeding, culling and inspecting for pests and disease;

Maintains soil conditions as required by species of vegetation;

Ensures that seasonal schedules are followed for planting and cleanup;

Uses hand tools or motorized equipment including tractors and front loaders to perform work related tasks and move supplies and equipment;

Makes minor repairs on equipment as needed;

Maintains inventories of tools, equipment and materials, including chemical and fertilizer inventories and Safety Data Sheets (SDS) compliance records;

Schedules specialty services at parks such as fence repairs, irrigation visits, removal of dead trees, and/or electricians;

May be assigned to apply pesticide to plant collections, garden displays, and greenhouse floriculture crops if appropriately licensed.
