SHLDC does not believe the labor is currently subject to NYSDOL Prevailing Wage rates but each proposer should determine for themselves and include rates as they deem appropriate.

RFI: 03

The delivery schedule has been as set forth in the RFP. Some days a less than maximum number of deliveries have been accepted, other days no deliveries at all have been made. The delivery of fill is subject to coordination by SHLDC and its consultants with third parties.

The proposer should determine what method of billing i.e. daily, weekly or monthly fee basis or other method would be appropriate.

Insurance requirements are set forth in Section II of the RFP and requests the proposer provide its current coverage and liabilities coverage.
